

I.D. Badges for Family Members of Lab Employees & Retirees

Brookhaven Laboratory is implementing new guidelines for providing identification badges to family members of employees and retirees beginning Jan. 30, 2017. As current badges expire, these new policies will be put into effect.

These new rules will help us provide employees & retirees and their family members with the access to the Lab site that they need for spouse/partner and adult children ages 16-25:

- Spouses
- Significant Others
- Children/Step-Children (ages 16-25)
- Retiree and Spouse

Family badges are no longer permitted for parents, grandparents, aunts, uncles, siblings, in-laws, etc.

They are however, allowed on site to drop off and pick up children from the Child Development Center and BERA Camp. They are issued a Carpool Badge at the Badging Office in Bldg. 400. They may not visit the BNL site or any buildings other than designated pick up/drop off building as noted.

Adult children of active employees ages 26 and up may be allowed a six month temporary pass for BERA activities including BERA Leagues sports, the weight room and pool, which can be renewed at the Badging Office in Bldg. 400.

- **RETIREES:**

Spouses of retirees may get a Family Badge, but adult children of retirees will no longer be able to receive a Family Badge.

The retiree must be present every time the badge is renewed for the spouse/partner.

If a retiree dies, no further family badges will be renewed or issued.

Questions?

The Badge Office is in Building 400, and is open Monday to Friday, 8:30 a.m. to 4 p.m. or call 631-344- 8711.
